

BALLET / TAP

COMBO CLASS

This once-a-week, 50-minute Ballet-Tap combo class is perfect for young dancers starting their journey. With a warm-up, center barre, across-the-floor activities, and an introduction to basic tap rhythms, the structured format builds a foundation in ballet and rhythm. Fun self-awareness exercises are woven in to foster mental and emotional resilience, creating a nurturing space where kids can truly fall in love with dance!

*Children must have a birthdate between September 2, 2019, and September 1, 2021, to enroll

PreK
